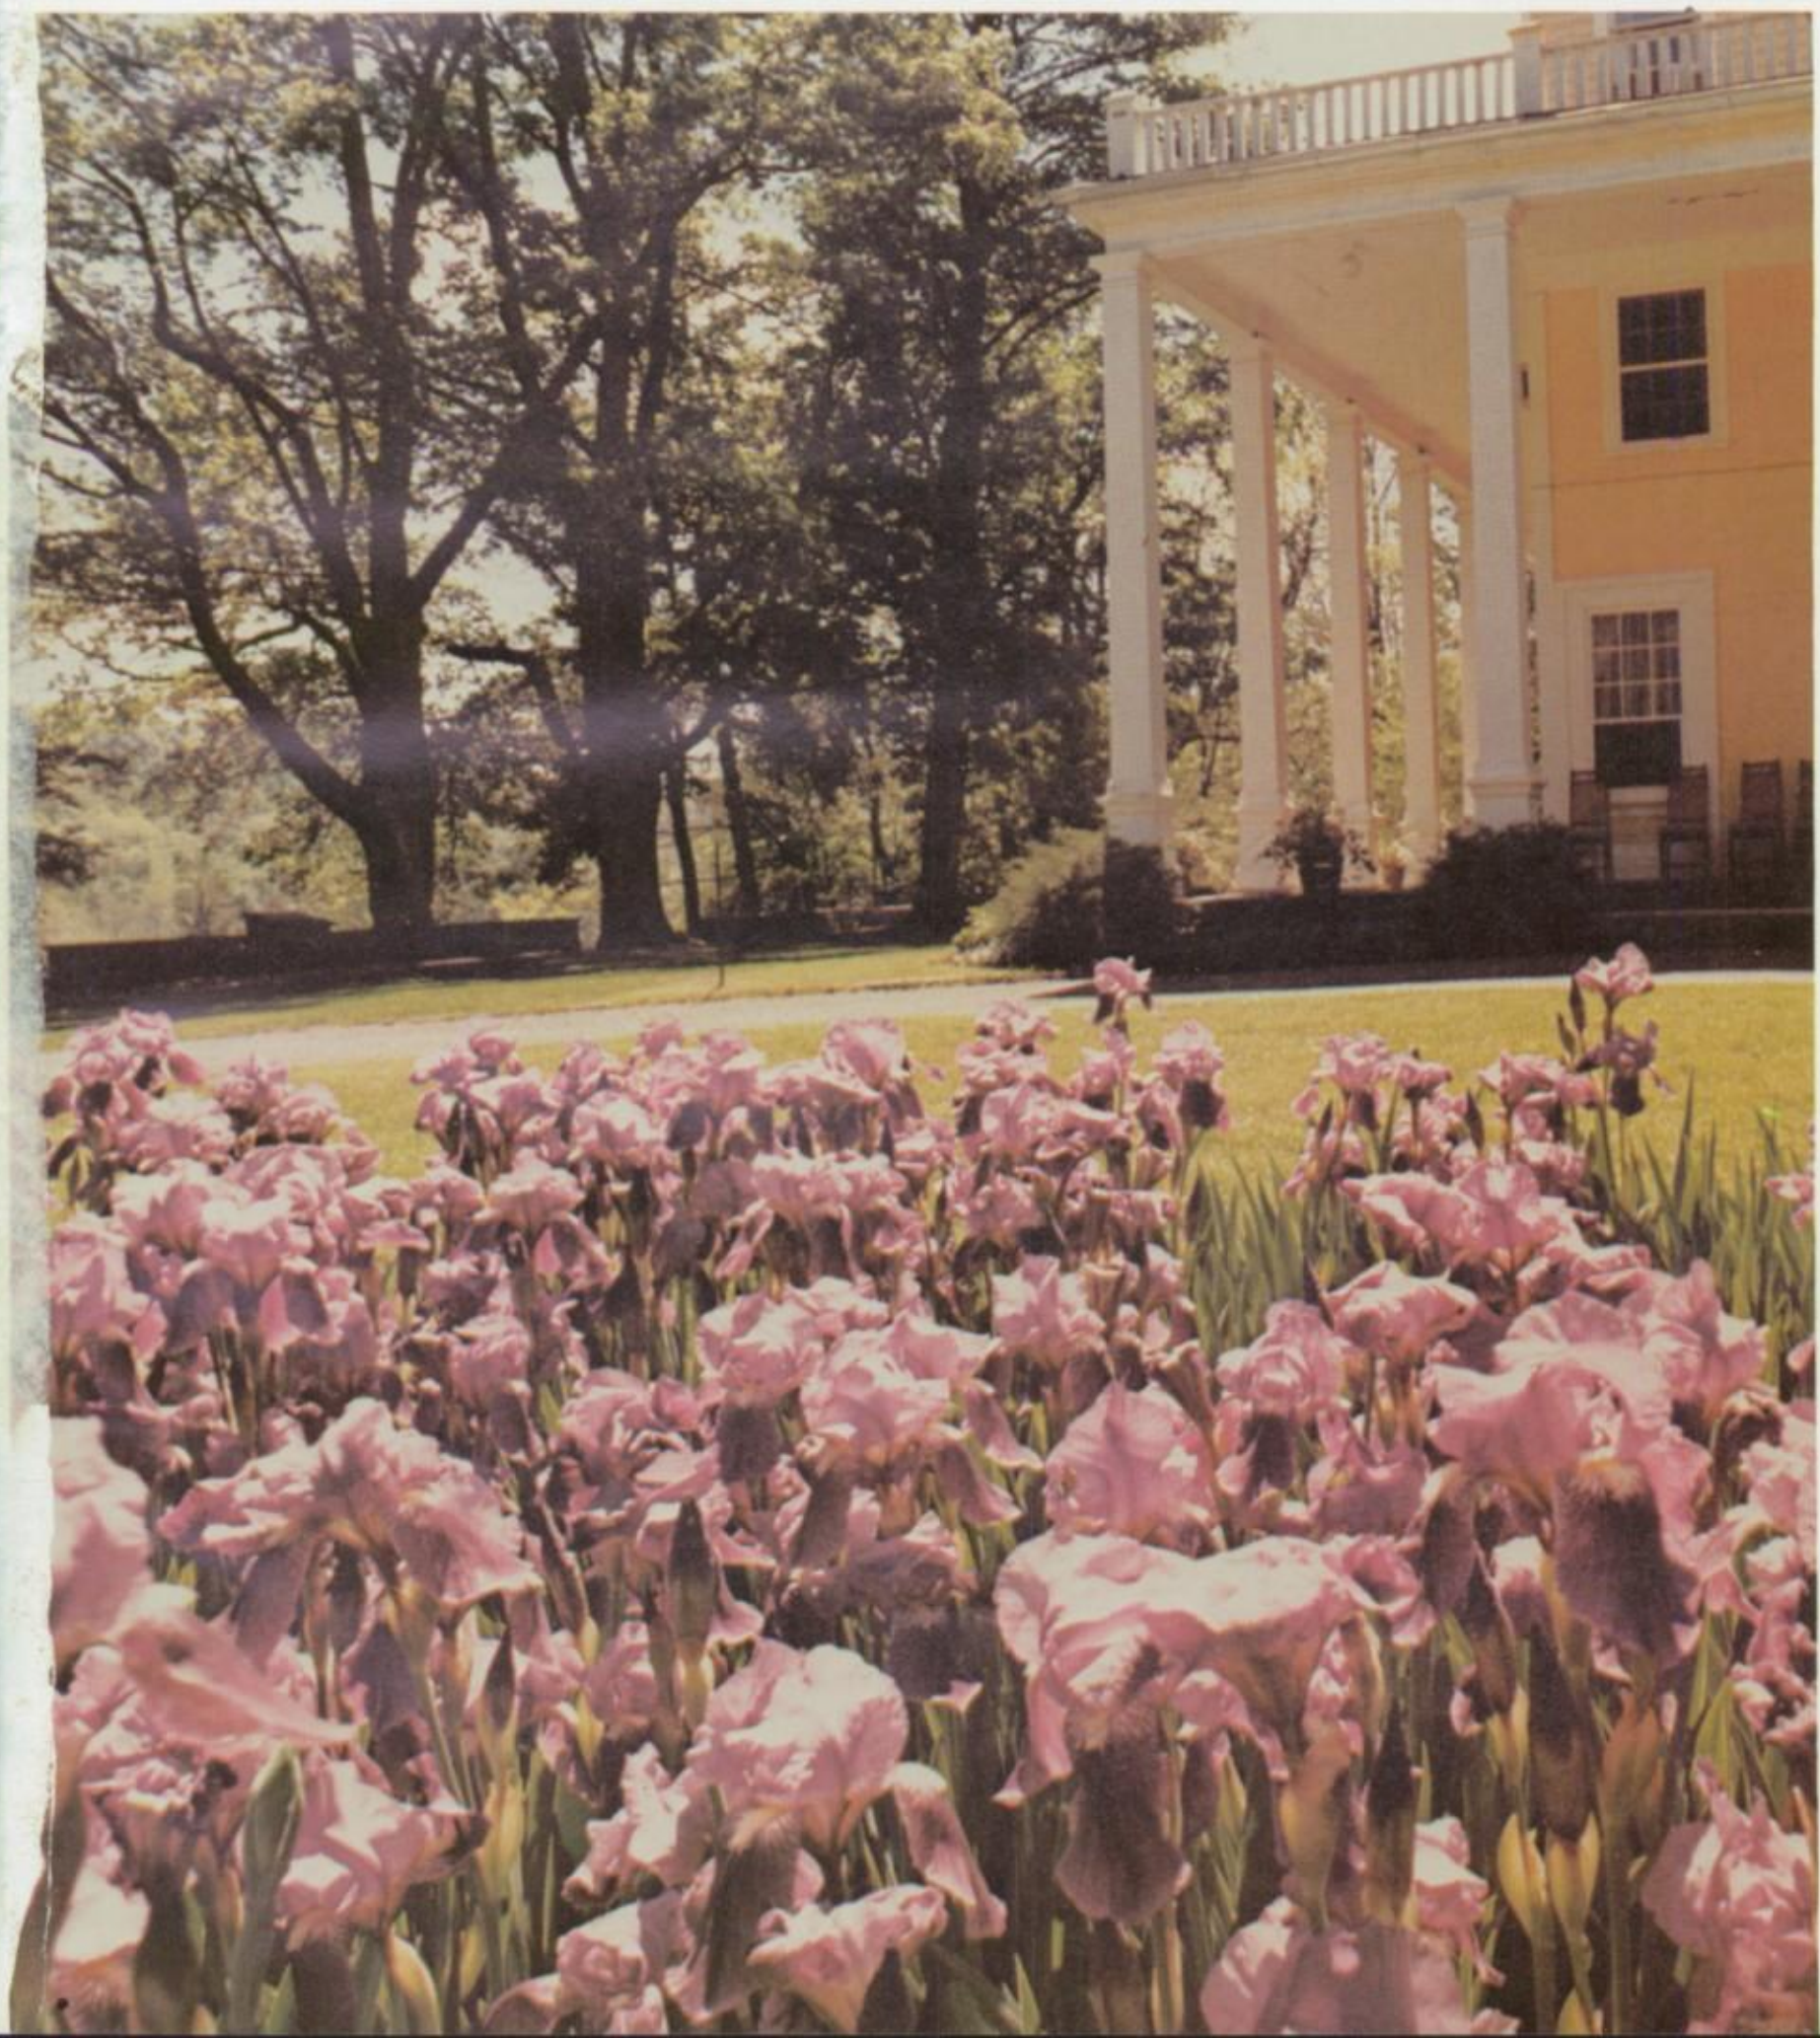
# 1977 LEGEND

Vol. 21
presented by
the Legend Staff
Letchworth Central School
Gainesville, N.Y. 14066



# Dedication

## *Gladys Galton*

When Mrs. Galton began her teaching career in a country school at Weaver Hill in Centerville in 1933, little did she realize that she may have taught nearly three generations of students. From the country school house to her new, modern air conditioned room here at Letchworth, Mrs. Galton has always displayed and evoked the highest standards for her students to follow. Its one reason among others, why we, the 1977 Legend Staff and Student Council, feel endebted to dedicate this annual to our perpetually patient and generous Gladys Galton.

Last summer, our United States Congressman, Barber Conable, visited our area and spoke to a group of citizens. We couldn't help but to be inspired when he said, "I always like to visit the Letchworth area, because it's the garden spot of Western New York." Because of this, we have chosen garden spot as the theme for our 1977 Legend.

We, and much of the student body have spent the greater part of our youth living in this area. But yet we seldom recognize the beauty that surrounds us. When we stop and look around us, we do realize that we live in one of the most beautiful spots in Western New York. We are proud and priviledged to have been brought up in these surroundings, and no matter where we go in the years to come, we will always remember these surroundings as a part of our lives.

We would like to take this time to thank the Legend staff for their many dedicated hours, and a special acknowledgement to Mr. Tamrowski for his guidance and Mrs. Mezynski for her help with Patrons and Sales. A very special thanks goes to Gillespie Galleries for their help in photography. Also we would like to extend our gratitude to everyone for their patronage and support.

Imagine what school life would be like without our active business and office staffs.

If it weren't for those people behind the desks answering phones, typing, running off dittos, sorting and sending our mail both the faculty and student body would be at a loss.

In addition, they support themselves with a successful fruit sale, corn sale and Christmas sale.

Adding a different touch to school interests, the F.F.A. and their alumni families hosted a group of 32 Austrians for a 3 day stay to study our American rural culture. The visitors culminated their stay with a Austrian dinner & dance. It was extremely enjoyable to all who attended. Thanks for all the interest and good work Mr. Krause & Mr. Wahl.

This year has brought a refreshed life on the student life at Letchworth. One of the most exciting aspects has been the return of a school newspaper.

The Indian Express, as it is called, keeps its readers well-informed, not only on school happenings, but gives different angles on controversial subjects, as well as offering student/falculty involvement.

Mr. Bone and Mr. Lonberger supervise the small staff which produce and distribute the best offer in school, for only a nickel.

To a real good Track Manager who did a good job of taking the pictures. Remember the fun times on the bus and meets. Have fun this summer and don't make too many mistakes. See ya around, (remember me is your will)
P.S. Keep as ugly as Deidre Mouse for us.

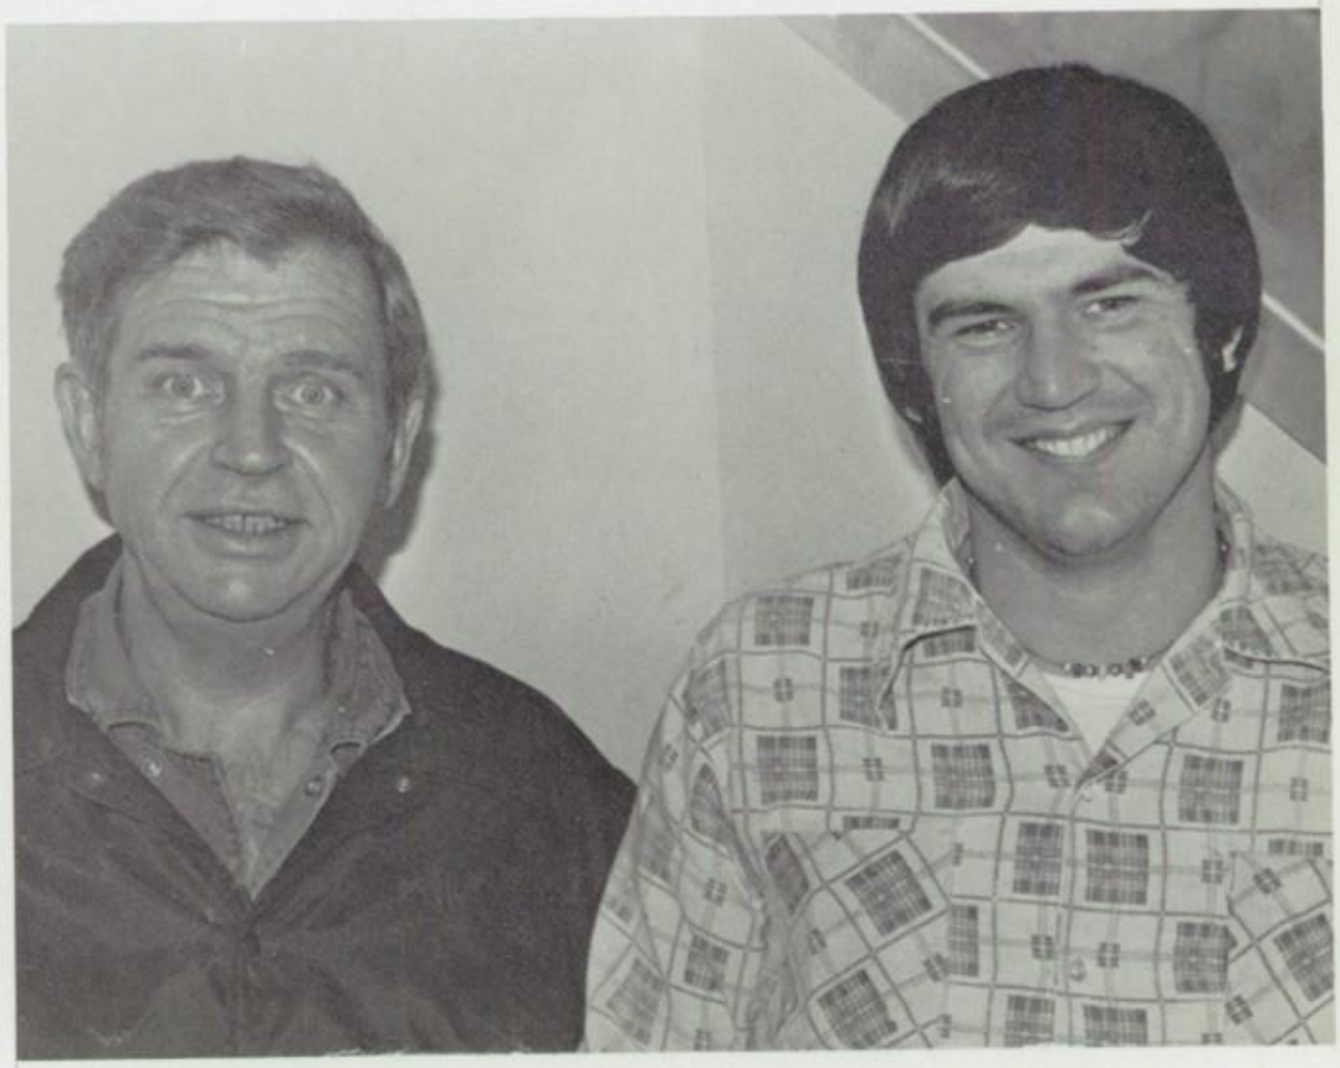
# *Maintenance and Custodial*

We often tend to take for granted, the hardworking maintenance and custodial staff. These people are responsible for the things we may not notice, but are certainly grateful for.

At this time we find it appropriate to thank them for their dedicated service.

# *Bus Transportation*

Elmer Stosser, Mark Hootman



We students, very seldom take time to really appreciate those people responsible for transporting us from place throughout the school year.

They have provided not only the daily student, but sports teams and other extra-curricular activities with a transit system necessary to all of us.
